

Scandinavian Airlines

A STAR ALLIANCE MEMBER 

Special offer for the members of the Spanish - Nordic Chambers of commerce

**Book until December 31, 2009 and take advantage of up to 10% Discount in
SAS published fares**

Madrid, September 30th, 2009 - SAS Scandinavian Airlines offers to members of the Spanish Nordic Chambers of commerce in Spain a 10% discount on published fares in Business and Economy Extra classes, and up to 5% off in Economy fares.

"SAS has been a member of the four Spanish- Nordic chambers of commerce in Spain for a long time. Besides being an active member and participating in several projects sponsored by the chambers, we would like to provide its members with a special advantage when choosing to travel with SAS. As a member of one of the Chambers you can be sure you can always find the lowest fares available on a specially created website"

Green travel

In addition, SAS will assume the costs for compensation of CO2 emissions generated by the trips that are booked with this special offer. These funds are earmarked for sustainable development projects which are managed by our partner company ,CarbonNeutral.

Always with SAS

You will also be able to benefit from the usual benefits SAS is offering its passengers. 25% child discount, free on-line check-in and boarding passes, up to 30 kg free baggage allowance, one piece free hand baggage on board, EuroBonus points in all classes of bookings, free City Guides, just to mention some of the examples of the added value services provided by SAS.

Book until December 31

To qualify for this offer, ask for the promotion code from your chamber of commerce and book your travel at the special discount page www.wideroe.no/sas_es . This offer only applies to certain routes and bookings must be made before 31 December 2009. Book now at http://www.wideroe.no/sas_es
